AoPS WOOT
Art of Problem Solving

2022–2023 Schedule

Class Schedule

Each WOOT class will be held on three dates, as shown. The first class will always be on a Monday, and held at **7:30–9:30 PM ET/4:30–6:30 PM PT**. The second class will always be on a Thursday, and held at **9:00–11:00 PM ET/6:00–8:00 PM PT**. The third class will always be on a Friday, and held at **7:30–9:30 PM ET/4:30–6:30 PM PT**. These three classes are the same; each class is offered three times to help students fit WOOT into their schedules.

Class	Topic	Monday	Thursday	Friday
0	Orientation	August 22	August 25	August 26
1	Induction	August 29	September 1	September 2
2	Pigeonhole Principle	September 12	September 15	September 16
3	Extremal Principle	September 19	September 22	September 23
4	Bijections	October 3	October 6	October 7
5	Enumerative Combinatorics	October 10	October 13	October 14
6	Angle Chasing and Cyclic Quadrilaterals	October 24	October 27	October 28
7	Complex Numbers in Geometry A	November 7	November 10	November 11
8	Complex Numbers in Geometry B	November 14	November 17	November 18
9	Projective Geometry	November 28	December 1	December 2
10	Sequences & Series A	December 12	December 15	December 16
11	Sequences & Series B	January 2	January 5	January 6
12	Inequalities A	January 9	January 12	January 13
13	Inequalities B	January 23	January 26	January 27
14	Divisibility	January 30	February 2	February 3
15	Integer Polynomials A	February 13	February 16	February 17
16	Integer Polynomials B	February 27	March 2	March 3

Practice Exam Schedule

Each test will be released on a Wednesday and due the following Wednesday (with the exception of Practice Olympiad 5). Practice Olympiads 1, 4, 6, and 7 will be graded. Practice Olympiads 2, 3, 5, and 8 will be ungraded and discussed in classroom sessions on their due dates. These sessions will start at 7:30 PM ET/4:30 PM PT and last approximately 2 hours.

Assignment	Available	Due
Practice Olympiad 1	September 21	September 28
Practice Olympiad 2	October 5	October 12
Practice AIME 1	October 12	October 19
Practice Olympiad 3	October 26	November 2
Practice Olympiad 4	November 16	November 30
Practice Olympiad 5	December 7	December 14
Practice AIME 2	December 14	December 21
Practice AIME 3	January 4	January 11
Practice Olympiad 6	January 11	January 18
Practice Olympiad 7	January 25	February 1
Practice Olympiad 8	February 22	March 1

Special Sessions Schedule

In addition to the classes listed above, we have optional special review sessions for four of the Practice Olympiads and test-taking strategy sessions for the AIME and the USA(J)MO. As with the classes, transcripts will be available for each session for those students who are not able to attend the live sessions.

Special Session	Date
Practice Olympiad 2 Review	Wednesday, October 12
Practice Olympiad 3 Review	Wednesday, November 2
Practice Olympiad 5 Review	Wednesday, December 14
AIME Strategy	Tuesday, January 17
USA(J)MO Strategy	Tuesday, February 28
Practice Olympiad 8 Review	Wednesday, March 1
